InsideOut -

Kick-Off August 23

Check out all the **NEW** information!

There will be some changes to InsideOut this Fall. The schedule will be as follows:

Double Dollar Dinner 4:45-6:00 pm

Kid's Choir 5:30-6:00 pm

InsideOut 6:15-7:15 pm

WHERE?

This year we will meet in the Multi-Purpose Building (MPB). There will be a space sectioned off from the dining tables that is just for kids and InsideOut volunteers.

WHEN?

We will have a new start time on Wednesdays at **6:15 pm**. Parents please note that children can only be dropped off on our campus **after** 6:00 pm, unless they are attending Kid's Choir. Kids not attending choir must have an adult with them until 6:00 pm. Your child's safety is important to us!

WHO?

InsideOut is for Kindergarten-4th Grade students. Volunteer adults and Bridge Leadership will lead the children in worship and large group activities. We have some great personalities lined up to teach the stories of our faith this year too. You never know who might show up!

HOW?

When you come to drop-off, there will be a table with a sign that says "Check-In." All children must be checked in at this table before they can go into our kid's space. Any adults wanting to come through must also check in and have completed

our background check and child abuse training. You are allowed to come pick up your child at any point, but must wait at the table until they are signed out.

WHAT?

Luke 2:52 says, "...and Jesus grew in wisdom and stature and favor with God and man." We want to help children grow in their wisdom, faith, and friendship. With over 150 Bible stories, 252 Kids curriculum highlights four faith skills to grow in their relationship with God, and reflects how kids and families talk about their faith.

- * **Hear** - Listen to God's words
- * **Pray** - Dialogue with God
- * **Talk** - Articulate your faith
- * **Live** - Worship with your life

We want to communicate God's truth in engaging ways and invite kids to respond to God in large group worship and activities.
