Parents' Night Out

Friday, December 7
5:30-9:30 pm

Kids ages 3 months to 5th grade are invited to our Christmas themed Parent's Night Out. There will be seasonal games, activities, crafts, and a movie. Dinner is provided with a cost of \$5 a child and \$15 max per family. If you prefer to bring your child's own meal, there is no cost.

Enjoy a date night with your spouse knowing your child is safe, well cared for, and having a ton of fun!

December 5 will be our last night of InsideOut for the semester. We will resume our regular Wednesday activities on **January 16**. Parents, please note that during the Spring semester we will have Rec time in the Multi-Purpose Building for all kids **Kinder-6th** grade starting at **7:00 PM**.

For the safety of our children, they must be picked up **and signed out** by **7:15 PM**. Children will no longer be released to come to you, no exceptions. Anyone who is not picked up by **7:20 PM** will be taken to the nursery. Thanks for your understanding and cooperation!

Children's Ministry Fundraiser!

SBC Kids is partnering with Five To Ten—a nonprofit organization dedicated to helping churches fundraise through the collection of your recently replaced, personal electronic devices. We're hosting a device collection from **December 2 - December 16**, raising funds for children's camp. We want to make camp accessible for all kids!

For this fundraiser, we will take your used devices and receive the trade-in value of your donation. If you think you might have some personal electronics to donate, start looking around the house. We will help you find a new purpose for that old device! Please know, we will accept smartphones, laptops, tablets, and gaming systems. Many of us have these old devices tucked away in a drawer somewhere. Consider donating your device as you upgrade to newer ones for Christmas and give a child the opportunity to go to camp! Our final day to collect will be **December 16**.

Tech-Smart Family Seminar ~ January 27, 4:00-6:00 PM

Time limits, off-time, downtime, filters, screen time, app limits, family apps, privacy restrictions, Insta-snap-face WHAT!?!? Technology can be overwhelming when you have a family. Join us as we talk to experts and other parents in the trenches about how to use technology wisely. Our panel will include a pediatrician, high school principal, school counselor, IT Expert, and PhD. Parents of all ages are welcome. We will have childcare available for babies through 10-year-olds. The cost of the seminar is free!
